PROGRAMME

Saturday 20th October

... **morning:** Tour to four modern houses in North Nelson showcasing a range of earthbuilding techniques and other ecological features. We will see houses using adobe brick, cob, strawbale and earthen plasters on different surfaces. Visit of commercial adobe brick yard.

... **afternoon (Option 1):** Seminars held by design professionals with years of experience in different kinds of earthbuilding, covering structural aspects, durability issues, passive solar design, energy efficiency and general design principles. Discussion and analysis of the visited projects.

(Option 2): Choice of two separate practical sessions covering different earthbuilding techniques or pizza oven building

... **evening:** Slide show with Richard Walker (Structural Engineer and Earthbuilding Pioneer)

Sunday 21st October

... **morning(Option 1):** Tour to four modern houses in the Motueka/Wakefield area showcasing adobe brick, passive solar design, light earth and pressed brick.

(Option 2): Practical sessions continued.

... **afternoon:** The AGM will be held over a nice afternoon tea and all are welcome to attend.

... **evening:** Cooperative and sustainable living – initiatives such as Riverside Community and a planned eco village in Motueka.

Monday 22nd October

(Optional): Tour to earthbuildings in Golden Bay
